Fire and Water games

“

Our challenging collection puts you in control of Fireboy and Watergirl

. You can move each character at the same time to navigate through tricky l

evels. All Fire and Water games feature a mysterious temple filled with gems. 6

Flip levers in the forest, press buttons in icy arenas, and activate moving p

latforms in the light temple. Your fiery friend can only acquire red diamon

ds, and the liquid lady must grab blue gems. If Fire and Water mix, they will

be destroyed! Grab all of the jewels as quickly as possible!

All of the Fire and Water games in this collection take platform p

uzzles to a whole new level. Each temple includes unique features to challenge y

ou at every turn. In the forest, one element must hold down push-buttons wh

ile the other element passes. The light temple is filled with special mirro

rs and detectors. Fire and Water can reflect light in different directions to so

lve each puzzle. In the crystal temple, you will experiment with special po

rtals. Teleport across each area to gather all of the gems in record time!
