When you play your next-to-last card, you must yell
UNO (meaning one) to indicate that you have only one card left. If you don't yell UNO and you are caught before the next player begins their turn, you must draw two cards. Once a player has no cards left, the round is over.

A player may play a Spin card as they would a regular number card, however, whenever a Spin card is played, the next player must spin the wheel. Spinning the wheel takes the place of that player's turn. (See THE UNO SPIN! M WHEEL).
