From this following part of the article you learn everything you need to know about the game, so why not read to the end before you start? You are going to move around using the w, a, s, d keys, while with the mouse you look around as well as shoot. In this game, only when you are moving the time is flowing, so when you stop, it also stops. Use this to your advantage in order to avoid enemy shots, and if you do it right, you then get to have a step ahead of them and shoot them down faster and take them out, advancing through the stage. Get through one stage after the other, until you completely win the game. Good luck, and if you are up for more fun, sticking around here and having even more fun with other great games that are coming is certainly what you have to do!

How to play?

Use the mouse and the w, a, s, d keys.
