Details about Blackout, the new battle royale game mode in Call of Duty: Black Ops 4. Blackout is a battle royale game mode where the last person or team standing wins the game. Survive to the end as the playable space collapses over time, forcing everyone into increasingly smaller spaces creating more intense battles.

Jump from an aerial transport with nothing but your wingsuit, survey the vast Blackout map and pick the best place to start your fight. Once you hit the ground, loot buildings for weapons and gear. Evade or engage the enemy, but stay within the map's collapsing circle. LEAVE NONE STANDING to win!
