is a 2D version of the legendary construction game Minecraft. Before starting the game, you can choose many different skins#128273; for your character and game modes. Survival mode requires skill and ingenuity - you must collect resources and food to#128273; stay alive and build a settlement for yourself to live in. As in most minecraft games, you will also encounter#128273; animals and different terrains such as forest, water, rocks and fields. Mine stone and wood to make tools and use#128273; these tools to mine more advanced materials to build buildings. In addition to the survival mode, you can also play#128273; the creative mode - this game mode allows you to use your imagination to make practically anything you can think#128273; of. For example, use various materials to build cities, castles and entire worlds. If you want, you can also load#128273; premade maps created by other players!
