<p&gt;Operation 40 was the code name for a Central Intelligence Agency-sponso
red counterintelligence group composed of Cuban exiles.[1] The group was&#127775
; formed to seize control of the Cuban government after the Bay of Pigs Invasion
.[2] Operation 40 continued to operate unofficially🌟 until disbanded in
1970 due to allegations that an aircraft that was carrying cocaine and heroin in
support of the $\#127775; group crashed in California. [1] $\text{lt;/p&qt;}
<p&gt;Origins [ edit ]&lt;/p&gt;
<p&gt;On 11 December 1959, following the Cuban Revolution of January 1959, Co
lonel J.C. King, 🌟 chief of the CIA's Western Hemisphere Division, se
nt a confidential memorandum to CIA director Allen W. Dulles. King argued that &#
127775; in Cuba there existed a " far-left dictatorship, which if allowed to
remain will encourage similar actions against U.S. holdings in $\%#127775; other L
atin American countries."[citation needed]</p&gt;
<p&gt;The group was presided over by then-Vice President Richard M. Nixon and
included Admiral Arleigh Burke, & #127775; Livingston Merchant of the State Depar
tment, National Security Adviser Gordon Gray, as well as Dulles himself.[citatio
n needed]</p&qt;
<p&gt;Operation 40 was not&#127775; only involved in sabotage operations. One
associate of the group, although never a member, Frank Sturgis, allegedly told
author Mike🌟 Canfield: "this assassination group (Operation 40) wou
ld upon orders, naturally, assassinate either members of the military or the pol-
itical parties🌟 of the foreign country that you were going to infiltrate
, and if necessary some of your own members who were🌟 suspected of being
foreign agents...We were concentrating strictly in Cuba at that particular time
."[citation needed] The group sought to incite🌟 civil war in Cuba a
gainst the government of prime minister Fidel Castro. When Operation 40 failed i
n accomplishing this goal,🌟 then in October 1960, Brigade 2506 was creat
ed, a CIA-sponsored group made up of 1,511 Cuban exiles who fought in🌟 t
he April 1961 Bay of Pigs Invasion.</p&gt;
