Generally, a bank or credit union has until the next business day to make your \$6,000 cash deposit available to withdraw or to use these funds to cover your checks and debits.

I made a \$6,000 cash deposit into my checking account. I attempted a withdrawal of \$6,000 from my EasyEquities account. Withdrawals may take up to 2-3 working days to reflect in your bank account. We make every endeavour to make this process as quick and easy as possible on our side, but we are to some extent at the mercy of the banking institutions with whom we deal and cannot make their processes any faster.
