{error}{error}<p>Where did Pool Games come from?</p>
<p>One of the most interesting and exciting sports is Billiards. The eye-measure, accuracy of the cue hitting the ball, geometrically sharp trajectories of their movement and unpredictable crashes, and tactics designed for several steps forward - all this is Billiards. It is a combination of intellectual play and controlled physical strength. Billiards is now a popular game all over the world and is the subject of international Amateur and professional competitions. It is impossible to determine the exact time when the game of Billiards appeared. It is only known that it, like chess, is very ancient and its homeland is considered to be Asia: China or India, the debates continue. But from birth, it was considered a game for the privileged level of society. Gradually, it became popular, but the weight and high cost of the main equipment (billiard table) prevented the spread of Billiards among people as a hobby. A little historical note: documented statements about the game of Billiards by Queen Mary of Scotland, Mary Stuart, on the eve of her death, and her request to the Archbishop of Glasgow to find a suitable place for the table after her death.</p>
