Your mission is to try to survive five nights at Freddy F
azbear's Pizza, where strange events often happen. As a👍 nightshift
guard, you need to keep an eye on animatronic characters' movements via the
restaurant's security cameras and avoid getting👍 caught by terrifyin
g dolls. When you are captured, the game ends.</p>

<p>Why are the animatronic characters so scary? The animatronic characters
👍 are usual during the day, but their behavior becomes unpredictable at
night. They could catch you anytime if you are👍 caught off guard. Make s
ure that you carefully monitor the security cameras positioned throughout the re
staurant to observe the animatronic👍 characters from your small office.
If anything's wrong, namely that if Freddy Fazbear and his mates aren't
in the right👍 place, you have to find them on the screens. If not, hide
immediately.</p>

<p>Besides that, the energy source you can use👍 every night is lim
ited. If you run out of power for the evening, there will be no safety doors and
👍 no lights anymore. As a result, you can be caught by Freddy. Let's
use power sparingly to protect yourself!</p>

<p>Transforming into👍 a security guard and save your life. Try not
to be frightened by the odd actions of the animatronic characters👍 in t
his game. Good luck!</p>
