1v1.lol is a competitive online third-person shooter where you build your way around the map tactically. You can build platforms, ramps, and walls to aid your defenses and gain an advantage. The main game mode is 1v1 battle royale, where the winner is the last player standing.

As of 2024, the game is still widely played and considered by many to be one of the best entries in the franchise. The game features a robust multiplayer mode with various maps, game modes, a lore-filled Special Ops mode, and a well-received single-player campaign.
