This unique gaming experience allows you to navigate through the ups and downs of life, from study dates to romantic encounters, as you determine whether your virtual existence is filled with joy or struggle with challenges. Life: The Game presents a collection of engaging mini-games tailored to different stages of life, with many additional likes Burger Madness, Study Session, Travel Puzzles, and Rainbow Melody. While the game is free to play, beware that your choices may influence your in-game survival.

Dino Game is an endless runner adventure that originally found its home within Google Chrome. This engaging game, affectionately known as Chrome Dino, made its debut as an Easter egg in Google Chrome back in 2014, providing entertainment for users during those moments when the internet connection was stuck. Featuring a charismatic t-rex as its star, this game has captured the hearts of over 270 million players each month. And now, the thrill of Dino Game is available to play in fullscreen on Poki, whether you're connected to the internet or not.
