Cases of "shell shock" could be interpreted as either a physical or psychological injury. Although the United States' Department of Veterans Affairs still uses the term shell shock to describe certain aspects of PTSD, it is mostly a historical term, and is often considered to be the signature injury of the war.

Monopolies. The word monopoly is derived from Greek words meaning "one seller". If one company is the only manufacturer of a product, that company has a monopoly. It is able to set its own quality standards and establish selling prices. It can also control middlemen, such as wholesalers and truckers.
