Outra diferença é que, enquanto no "over/under" a maioria das vezes é possível fazer uma aposta com odds razoavelmente altas, no "0-0" as odds são geralmente muito baixas, tornando esta aposta menos atraente para a maioria dos jogadores.

time marcar pelo menos 5 gols. A probabilidade de um jogo terminar com 0-0 é relativamente baixa, mas ainda assim é uma possibilidade real. A dificuldade da aposta reside no fato de que marcar 06 gol durante o jogo é relativamente incomum, mesmo para times muito fortes. Esta aposta é uma variação do tradicional "over/under", onde os pensadores tentam prever se o total de gols num jogo estará acima ou abaixo, certo ou errado, determinado. No entanto é diferentemente no "0-0" (geralmente) Tj T
