par on an 18-hole course. It is a measure of the golfer's playing ability and is derived from the number of strokes it takes a player to complete a hole, a round, or a tournament, relative to the number of strokes it would take a "scratch" player to complete the same hole, round, or tournament. The difference between a player's score and the scratch score is the player's handicap.

To compete on an equal basis! What does a 7 handicap in golf mean?

Quora requora: A 7 handicap in golf means that a player is allowed to add 7 strokes to their score to level the playing field from competitions by allowing gameers to compete on an equal basis.

Handicap (in) golf: In finance, the term "rollover" refers to the process of adjusting the maturity date of a loan or bond, normally to extend it to a later date, which increases the total amount owed as the interest rate associated with the loan or bond also increases. However, "rollover" can also be used in a different context, related to investments or pension plans. In this case, "rollover" means transferring money or assets from one investment or pension plan to another, or contributing to some or all of these amounts for another pension or investment plan, such as contributing to some or all of these amounts for another pension or investment plan.
