It is unclear what the original mission of the team was, as they are all surprised when Price launches the nuclear missile from the Russian submarine, even though it was clearly their intent to secure the submarine or at least the submarine base.

However, they actually continued their research in secret, prompting the launch of the nuclear missiles, which ultimately set the stage for the Fallout world depicted in the game series. The reason we got nuked is: bio-weapons were illegal and somehow China found out we were doing FEV.
