The simple answer is no, as you probably expected.

A very few games (like Half Life Alyx) have been modded

to allow play without a headset but they are clunky, rare and still require a capable PC, which it doesn't sound like you have. If you desperately need VR

hat in your life, you'll need a headset.

Some VR games allow players to play without a VR

headset, for instance, Star Trek Bridge Crew or Rec Room but most other VR games

will not allow this, for instance, Job Simulator or Beat Saber because they would

basically have to make a 2nd game because of the control integration (keyboard) BT
