<p>Best cod of the modern era, not that that saying much. The campaign was fun enough, 🌝 with interesting ideas such as dialogue options and bran ching missions, but overall it's hard to get invested in due to 🌝 t he state of the overarching COD storyline. I'm honestly can't tell if th is is solely in the new MW timeline, 🌝 a sequel to the old black ops st oryline, or some weird fusion of the two that drags the old games 🌝 int o everything.</p>

<p>Not much to say on the MP. I haven't played it since it's year in the cycle, and games 🌝 are hard to find, at least on pc/steam. From what I remember I enjoyed it, especially the 3v3 mode. the 🌝 overall game feel is bad compared to the MW games, but I think that's not an issue going forward. Fun 🌝 for the most part, but SBMM makes matchmaking annoying to participate in, often having the game openly tell you it's 🌝 searching for games with 100 plus ping at times.</p>

<p>Zombies though, Zombies is genuine great. BO 3 is certainly the peak &#
