<p>Help the bartender mix drinks in the right ratios for Miguel! Choose from a shelf full of different drinks that range from Vodka, Whiskey, Vermouth, Tripple-Sec, Gin etc. and mix them together for the ultimate drink for a good night out. Add ice or lemon to the drinks to give it that extra kick but be careful, mixing the drinks in the wrong amounts or simply mixing the wrong drinks could end in in the worst of ways! No bartending school required!

<p>First you must add your choice of spirit. Maybe you will choose Kahula, Vermouth, or even Tequila? Next, you can add an accompanying juice such as orange, lemon, and cranberry. Will you add some ice to cool your drink or maybe a lemon to add a little sourness? Shake your drink and serve your concoction to Miguel. Will he like your cocktail or will it send him to an early grave? Can you create the right mix and serve the perfect drink?

<p>Bartender The Right Mix is a Flash game that you can now play without the discontinued plugin, thanks to Ruffle.
