<p>Warfare 1917 is a fun game of strategy, tactics and war. You are a mili
tary general in 🧾 World War I and it is your duty to command your troop
s and lead them to victory. Before you start 🧾 each battle you can upgr
ade your units. During a battle, you must deploy your troops to the trenches and
help 🧾 them advance across the battlefield to defeat the enemy. Your t
roops will only advance when you have a certain number 🧾 of soldiers i
n one place.</p>
<p>Keep pressure on your enemy and keep your troops advancing. You must us
e a combination of 🧾 troops to advance - don't simply use one type
of troops - try using everything at your disposal such as 🧾 riflemen, a
ssault troopers and mortar troopers. Also remember to make use of your special a
bilities such as a mortar strike. 🧾 This game is fun but also tactical
and it will really make you think about your troop deployment and options! 
